Perry Services

On June 3<sup>rd</sup> there is a very important election. The comprehensive land use plan will be voted on by the residents of St Pete Beach.

SOLV is hosting a community meeting for residents to learn the facts and benefits of the new plan.

There will be a panel of community leaders and experts to answer your questions along with a short presentation.

Please come join our supporters and see why nearly one-thousand residents supported the new plan to put this on the ballot.

#### **New Plan Benefits for local residents:**

- Community improvements
- Building height restrictions
- Resorts and hotels encouraged vs. residential condos
- No condo conversion
- Green building and site design criteria
- Public beach access
- Lower taxes
- Improved quality of life

**On June 3<sup>rd</sup> , please vote YES to improve St. Pete Beach**
